This bibliography is a sampling of articles taken from the years 1975-1999. The following resources were utilized: BIOSIS Preview on-line computer research network, NERAC**, Journal of Endocrinology, Journal of Animal Learning and Behavior, American Journal of Physiology, Journal of Immunology, Journal of Bio-Chemistry, Journal of Animal Behavior, and American Journal of Clinical Nutrition.*

**BIOSIS PREVIEW searches over 9000 primary journals and monograph titles and a complete listing of its journals would go beyond the scope of this bibliography.*

***NERAC is a document retrieval service.*
